Permitting Activity

The Town of Rolesville issued seven single-family dwelling and no townhome permits in February 2020. In February 2019, the Town issued twelve permits. Granite Falls, Perry Farms and Stonewater subdivisions received building permits in February. The Town also issued seven Certificates of Occupancy for single-family homes in February. The Town of Rolesville has experienced a decrease in permitting activity since February 2019.

There are significant developments in the review process that have a large number of units. These developments could increase permitting activity in coming months.
